### Application of section 193 powers

The matter in which I have exercised the authority given to me by section 193 of the Act is:

1. Rule 73(xx) regarding the storage of ballot papers, envelopes, lists and other documents (election material) to be filed and preserved at the registered office of the Union, contradict the requirements under s. 199 (1) of the Fair Work (Registered Organisations) Act 2009 (the Act). The Returning Officer

will apply Sub paragraph s.193(1)(b)(i) of the Act to ensure that all election material is preserved and kept by the Australian Electoral Commission for one year after the completion of the election.

2. Commencement of postal ballot delays due to time required by mailing house to print, organise and lodge the ballot packs.

3. The organisation's rule 71(1) (ii) state that ballots open at 9:00am on the first Monday in September of an election year and close at 5:00pm on the fourth Monday, providing a three-week period. However, as the election spans multiple states, the AEC believes this is insufficient for voters to receive and return their ballots. To address this and not to disenfranchise any voter from casting their respective votes, the Returning Officer will extend the ballot period to four weeks

### Privacy

Commonwealth guidelines provide that classified information, including personal information, should not be transmitted by email. The AEC requires that data files are transmitted via a secure portal, and we have staff on hand to assist you and your staff with the upload, should that be necessary. Further information is provided at **Attachment A**.

The Act provides that the AEC must allow access to members to view/copy the roll of voters, and the AEC may provide the roll of voters electronically.

The AEC has a number of safeguards regarding the provision of roll data, and I invite you to contact me if you would like further information on those safeguards.

### Legislative Provisions

I wish to draw your attention to the following:

- Regulation 145 provides that, where an election or ballot is conducted by the AEC, no steps in the election may be taken by any person without the Returning Officer's authority or direction.
- Section 190 is an offence provision of the Act and a contravention of it constitutes an irregularity. Section 190 of the Act states:

*An organisation or branch commits an offence if it uses, or allows to be used, its property or resources to help a candidate against another candidate in an election under this Part for an office or other position.*

*Maximum penalty: 100 penalty units.*

- Section 191 requires an organisation to provide the returning officer with a copy of the register of members.
- Section 192 requires a declaration by the secretary of an organisation in relation to the register of members, as follows:

(1) If:

(a) a returning officer makes a request under section 191 in relation to the organisation's register; and

(b) the returning officer gives written notice of the request to the secretary or other prescribed officer of the organisation or branch concerned;

the secretary or other prescribed officer of the organisation must make a declaration, in accordance with subsection (2), that the register has been maintained as required by subsection 230(2).

Civil penalty: 100 penalty units.

- (2) The declaration must be:
- (a) signed by the person making it; and
  - (b) given to the returning officer, and lodged with the FWC, as soon as practicable but no later than the day before the first day of voting in the relevant election.
- (3) A person must not, in a declaration for the purposes of subsection (1), make a statement if the person knows, or is reckless as to whether, the statement is false or misleading.

The AEC would ask that you take the time during or after the event to provide us with any comments you have on the AEC's performance in conducting this event. We are committed to continuous evaluation and improvement and your comments are important to enable us to do this.

If you have any questions, do not hesitate to contact me at [iebevents@aec.gov.au](mailto:iebevents@aec.gov.au), on 02 9375 6366 or 03 9285 7111.

**Please note, there are a number of items on the following pages that require your action.**

Yours sincerely,

Ishtiaq Ahmed & Taylah Grillo

**Always** use the AEC secure portal when sending your list of members.
